Foreward by the UN Secretary-General's Special Envoy for Tsunami Recovery, William Jefferson Clinton	3
Preface: Core Management Group, TEC	5
Acronyms and abbreviations	12
Executive summary	16
1 Introduction	24
1.1 The Tsunami Evaluation Coalition	24
1.1.1 Background	24
1.1.2 The TEC's thematic focus	25
1.1.3 Methodology and management of the thematic evaluations	26
1.2 The TEC Synthesis Report	27
1.2.1 Approach, limitations and constraints	27
1.2.2 The Synthesis team	29
1.2.3 Terminology	29
1.2.4 Structure of the report	31
2 The disaster: an overview	33
2.1 Immediate effects of the disaster	33
2.2 Media coverage	36
3 The response	40
3.1 Pre-disaster risk reduction and early warning	40
3.2 Emergency	42
3.2.1 Survival and safety	42
3.2.2 National institutional responses	44
3.2.3 Support for affected tourists	45

3.3	Stabilisation and relief	47
3.3.1	Assessing and informing	47
3.3.2	Basic needs	49
3.3.3	Proliferation of international organisations	55
3.3.4	International coordination	61
3.3.5	Costs and efficiency	64
3.4	Building back better: capacities for recovery	66
3.4.1	Achievements	66
3.4.2	Disenchantment among the affected population	68
3.4.3	Moving to recovery	71
3.4.4	Inequities and accountability	74
3.4.5	Accountability and support to affected people	75
3.5	Disaster risk reduction	79
3.6	Funding flows	80
3.6.1	Funding scale and speed	80
3.6.2	General public financial response	81
3.6.3	Official funding	82
3.6.4	Funding balance	82
3.6.5	Country allocation and proportionality	86
3.6.6	Appeals	87
3.6.7	Flexibility and earmarking	88
3.6.8	Financial tracking and reporting	88
3.6.9	Global aid flows	89
4	Conclusions	91
4.1	Ownership and accountability	91
4.1.1	Role and achievements of local people	91
4.1.2	Good practices despite constraints	92
4.1.3	Information and accountability	92
4.1.4	Overall: a missed opportunity	93
4.2	Funding	94
4.2.1	Scale, speed and strengths	94
4.2.2	Imbalances in allocation and programming	95
4.2.3	Accountability and transparency in funding	96
4.2.4	Impartiality and global funding	97
4.3	International relief capacity	97
4.3.1	Interwoven capacities	97
4.3.2	Staffing	98
4.3.3	Coordination of capacities	99
4.3.4	Assessment	100
4.4	International recovery capacity	101
4.4.1	Recovery and humanitarian action	101
4.4.2	Achievements and constraints	101
4.4.3	Relief approaches and recovery: an uncomfortable mix	102
4.4.4	The key: context sensitivity	103
4.4.5	Disaster risk reduction (DRR)	104

4.4.6 Inequalities and armed conflict	104
4.5 Quality	105
4.5.1 What is quality?	105
4.5.2 Quality is an enduring problem in the sector	105
4.5.3 Quality and proliferation	107
4.5.4 Why does quality continue to be such an issue?	108

5 Lessons and recommendations 110

5.1 A fundamental re-orientation	110
5.2 Accountability and support to affected people and authorities	111
5.2.1 Accountability to affected people	111
5.2.2 Support to local capacities	113
5.2.3 Accountability to host authorities	114
5.2.4 Support to host authorities	115
5.3 Strengthening international disaster response capacity and quality	117
5.3.1 Emergency surge capacity	117
5.3.2 International coordination and information management	118
5.3.3 Strengthening recovery practices and capacities	119
5.3.4 International regulation	120
5.3.5 Improving information flow from the affected population	122
5.4 Strengthening international funding for disaster response	122
5.4.1 Proportionality, impartiality and flexibility	122
5.4.2 Accountability: quality, tracking and reporting	124
5.4.3 Donor, public and media education	125

Endnotes 126

Annexes

Annex A: TEC actors, financing and methods	129
Annex B: TEC synthesis terms of reference	138
Annex C: Biographies	140
Annex D: TEC reports on CD-ROM	146
Annex E: Recommendations by aid actor	148
Annex F: The military logistics contribution	152
Annex G: Data and sources for figures and tables	153
Annex H: What caused the tsunami?	161
Annex I: Bibliography	163

List of tables

Table 2.1. Numbers of people lost (dead or missing)	33
Table 2.2. Demographic and economic impact of the tsunami	37
Table 3.1. Numbers killed and missing from outside the affected countries	46
Table 3.2. Varying estimates of the number of IDPs with host families in Aceh	49
Table 3.3. Timeline for selected elements of international assistance in Aceh	55

Table 3.4.	Press coverage of the tsunami in Sri Lanka	72
Table 3.5.	Funding for the tsunami response	81
Table 3.6.	Per-capita international funding for different disasters	86
Table 3.7.	UK official funding for the tsunami	89

List of figures

Figure 2.1.	Changes in death toll (including missing) over the first month	34
Figure 2.2.	Age-specific tsunami mortality at five locations (plus one historic disaster)	34
Figure 2.3.	Tsunami mortality risk for females compared with males	35
Figure 2.4.	Tsunami press citations (for 12 months to Feb 2005)	36
Figure 3.1.	General patterns of need imposed by rapid- and slow-onset disasters	42
Figure 3.2.	National and international capacities in Aceh (illustrative)	43
Figure 3.3.	Comparison of UK aid and UK expenditure on consular services	46
Figure 3.4.	Number of registered INGOs in Banda Aceh	56
Figure 3.5.	Global spending on the military and on development	60
Figure 3.6.	DAC donor commitments and disbursements against pledges	82
Figure 3.7.	Tsunami fundraising in the UK	83
Figure 3.8.	Funding channel by donor type	83
Figure 3.9.	Institutional donor support for UN and intergovernmental organisations by state donors	84
Figure 3.10.	Sectoral allocations by some institutional donors	84
Figure 3.11.	Balance between reconstruction and relief for different donors	85
Figure 3.12.	Allocation of funding by country	87
Figure 3.13.	Net relief disbursements as a percentage of all net ODA disbursement	90
Figure 4.1.	Information flow from affected population to the donor public	109

List of boxes

Box 3.1.	The nature of disasters	41
Box 3.2.	The multi-layered relief response	43
Box 3.3.	Host families	50
Box 3.4.	Inappropriate aid	52
Box 3.5.	Disasters and disease	53
Box 3.6.	The costs of proliferation	57
Box 3.7.	What does it cost to open an aid office for one year?	65
Box 3.8.	Impact on women	70
Box 3.9.	Relief and recovery	73
Box 3.10.	Local capacities and humanitarian standards	76
Box 3.11.	Hyogo principles for action	80
Box 3.12.	Why was the public so generous?	83
Box 4.1.	Types of regulation	106
Box 5.1.	Types of regulatory system	124
